

# SCRUBBLADE®

THE ULTIMATE HIGH PERFORMANCE SCRUBBING WIPER BLADE

Scrubblade utilizes hundreds of tiny triangular "scrubbers" on the leading edge of the two outer blades. This is what gives Scrubblade its cleaning advantage over all other wipers today.

The functionality of the Scrubblade is un-surpassed but what about the looks?

You can install Scrubblade on a sports car - heavy-duty truck - rally car - off road truck - motor home - SUV - mini van - yacht or even an airplane without compromising the looks.
